CAMO MARKSMAN® is a registered trademark of National Nail Corp.

SPECIAL TIP ALLOWS EASY ANGLED STARTS

simply push before starting screw rotation

USE

#7 x 1-7/8"
for
5/4 x 6
DECK BOARDS

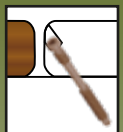

#7 x 2-3/8"
for
2 x 6
DECK BOARDS

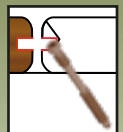

- New "sticky" star drive
- Trim Head that disappears in material
- Reverse thread to push on board for stronger assembly

New drill point for easy angled starts and to prevent splitting

For solid

or grooved boards

PVC TRIM

Also great for PVC, Composite or hardwoods
